

Jeremy's Friends

Benefiting Cook Children's Medical Center

May 5, 2008

Jeremy's Friends is now in its 13th year of raising money for the children in the Transitional Care Unit at Cook Children's Medical Center. Your generous donations have made it possible for us to contribute to them nearly \$1.2 million.

We are again asking for your help. Following are a list of events we are involved in to raise funds to help those in need in our community. We hope you will take advantage of this wonderful opportunity to help by participating in one or more of these events.
